

# 10852NAT Course in Working Safely with Asbestos Containing Materials

This course will provide you with skills and knowledge to identify asbestos containing materials and implement necessary controls before performing work that may involve drilling into, fixing to and penetrating existing asbestos cement sheeting or other asbestos containing material.

The ACT Government has made amendments to the Work Health and Safety Regulation 2011 to mandate that people in occupations that are likely to work with materials that contain asbestos must complete an approved training course in working safely with asbestos. This course is in addition to the mandated 10675NAT – Course in Asbestos Awareness that came into effect in the ACT on 30 June 2014.
