Start your building and construction career with an MBA apprenticeship

Join Canberra's leading industry association, **Master Builders ACT**.

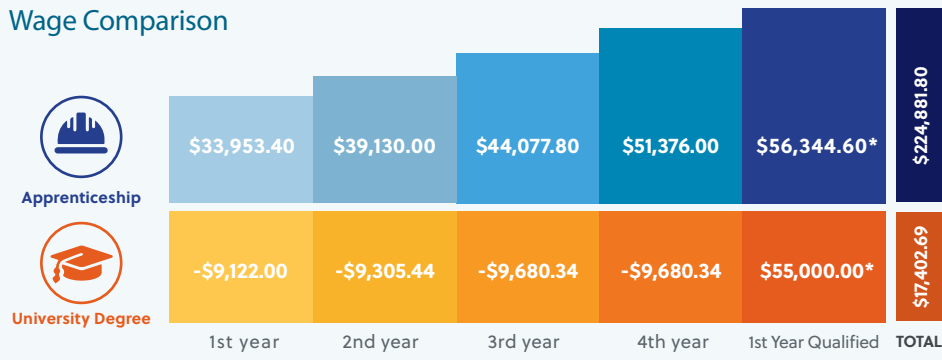

Employment is offered in:

-  Carpentry
-  Plumbing
-  Civil Construction

An MBA apprenticeship gives you the opportunity to experience all aspects of the building trade from commercial to residential and sub-contractor work, via our wide network of host employers.

Wage Comparison

Based on a 4 year, full-time apprenticeship.

* based on a 40 hour work week, correct as of Jun 2020 * based on the average HECS student contribution for 2019

Benefits of training with MBA:

- Quality carpentry training through purpose-built training facilities
- Qualified trainers who are up to date with the latest industry methods and practices
- Ongoing WHS training and support throughout your apprenticeship
- No cost to you for training fees, uniform and personal protective equipment (PPE)
- Wellbeing support from OzHelp

Successful MBA apprentices:

- Like working with their hands
- Are eager to listen and learn
- Are committed to both training and work site experience

- Are motivated/hungry
- Have a mature outlook
- Like working both indoors and outdoors
- Have their own transport
