

Preparing to Re-Open **CHECKLIST**

Before you reopen your site:

- Have you read and understood every section of the ACT Construction Requirements?
- Have you updated your COVIDSafe Plan for each building site?
- Have you inducted all workers into the updated COVIDSafe Plan?
- If you are the Person Conducting a Business or Undertaking (PCBU), have you implemented a system for recording all inductions?
- Have you issued an Authorised Worker Permit to your workers?
- Have you registered each work site with the CBR Check In app?
- Have you appointed COVID Marshal(s) for each site and ensured they are appropriately trained?
- Do you have a system for screening all workers before they enter the site, including having a Worker Declaration form available for every workers?
- Have you considered how you will protect the safety of vulnerable workers on your site?
