Site Checklist:

☐ Are the CBR Check In QR codes displayed on each site?

☐ Have you printed and displayed the safety posters available at COVIDSafe resources in other languages (australia.gov.au)?

☐ Is the worker declaration available at the site entrance?

☐ Is your site secure to prevent members of the public or other unauthorised workers from entering the site?

☐ Do you have adequate supplies of Personal Protective Equipment for you and your workers?

☐ Do you have adequate supplies of facemasks, sanitiser, cleaning wipes, and any other cleaning equipment available on your site?

☐ Are you minimising the sharing of tools, plant and equipment, and cleaning after use?

☐ Are the worker limits being complied with at all times?

If members have any queries, please contact us via canberra@mba.org.au.
