MBA TOOLBOX SERIES

YOUR TOOLBOX OF INDUSTRY BUSINESS EXPERTS

Introducing the *MBA Toolbox Series*, the new member workshop program designed to provide members with a "toolbox" of construction industry business experts. With the economy tightening, it has never been more important for business owners to be looking at their key business elements, ensuring that they are in the best possible position for the future.

Master Builders ACT have pulled together a series of 7 learning sessions, with experts in business structure, finance, cash flow, record keeping and general business planning, to provide attendees with tangible business driven tactics to assist their businesses today. Members can register for individual sessions or the entire series, with all sessions being delivered in person at the MBA Skills Centre, Fyshwick.
