

# MEDIA RELEASE

19 November 2024

## Master Builders ACT board election results announced

The Master Builders ACT newly elected board appointees were confirmed at the Association's Annual General Meeting on 18 November 2024.

Frank Porreca was re-elected as President of MBA ACT for a second term, while Amie Lloyd was elected as the new Suppliers and Subcontractors Representative, following the retirement of Sarah Flanagan.

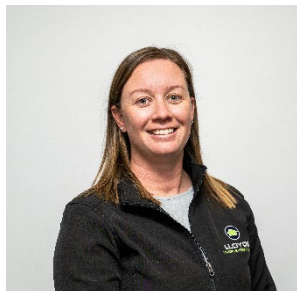

Mr. Porreca said "There is no greater privilege than to represent our members who make up the largest industry in the ACT, building homes and infrastructure that benefit our community. I look forward to continuing in my role as President, and being a strong advocate for our industry."

Ms. Lloyd said "I look forward to representing Master Builders ACT, to help support our local building suppliers and subcontractors who are facing unique challenges in the current economic climate."

CEO of Master Builders ACT Anna Neelagama said "In these tough times for businesses, particularly in the construction sector, it's crucial to have effective representation from all sectors of the industry. Strong representation allows Master Builders ACT to understand the key issues and advocate more effectively with the government, ensuring we can keep providing the homes and infrastructure that the ACT needs."

Frank Porreca,  
President, Master  
Builders ACT

Amie Lloyd,  
Suppliers and  
Subcontractors  
Representative,  
Master Builders  
ACT Board
