100 YEARS
OF BUILDING
CANBERRA

Introduction

Welcome to our Pricing Guide! We understand that transparency and clarity are important when it comes to choosing the right training provider. Whether you're a new student exploring our offerings or a loyal client looking for updates, our pricing guide lays out everything you need to know in one convenient location.

Details of upcoming course dates, enrolment requirements and eligibility criteria for discounts can be found on our website. If you have any questions or need assistance, our team is always here to help.

Please note that the Training Fund Authority (TFA) have a strict eligibility criteria that MBA Training must adhere to. Our administrators may request a written statement detailing eligible participants responsibilities on site to submit to the TFA. To be eligible for the TFA rebates, you must be:

- Working in the building and construction industry, spending the majority of your working hours (80% or more) on live construction sites in the ACT
- Performing the construction, erection, alteration, repair, renovation, demolition, maintenance, or removal works as described in Schedule 1 of the Building and Construction Industry Training Levy Act 1999
