

BUILD OUR FUTURE WORKFORCE

CONSTRUCTION PATHWAYS WORK EXPERIENCE

Join us in empowering the next generation of construction professionals.

By offering work experience placements, you will play a vital role in shaping the future workforce of one of Australia's most in-demand industries. Your participation as a work experience provider can change lives, giving young adults the opportunity to explore their potential in the construction field.

Together, we build better.

WHY GET INVOLVED?

- ✓ **Build our future workforce**
Your involvement directly contributes to building a skilled workforce that will sustain and enhance our industry for years to come.
- ✓ **Support the community**
You'll provide valuable experience for unemployed or underemployed adults in the ACT, giving them a hands-on experience that may lead to meaningful employment.
- ✓ **Show leadership**
Demonstrate your commitment to community development and position your organisation as a leader that values education, mentorship, and workforce development.

FLEXIBLE COMMITMENT

We understand the demands of running a business. That's why we work with you to determine the level of involvement that suits your capacity.

Build Your Future Construction Pathways Program is funded through the 2025–27 ACT Adult Community Education (ACE) Grants Program under the National Skills Agreement's Ensuring Access to Foundation Skills Training initiative, a joint initiative of the Commonwealth and ACT Governments.

ABOUT THE PROGRAM

The Build Your Future Certificate II Construction Pathways program is open to unemployed and underemployed adults aged 17+ and includes essential training, such as White Card, Silica Awareness, Asbestos Awareness, and Mental Health First Aid, with a Certificate II in Construction Pathways awarded at the end.

The program commences in Term 3 2026, starting 22 July 2026.
